

Our Lady of Hope Greenwith Campus Outside School Hours Care

POLICY DOCUMENT

<h2>AUTHORISATIONS</h2>

AUTHORISATIONS

BACKGROUND

Out of School Hours Services must obtain authorisation from parents/guardians and authorised nominees in some circumstances for situations such as:

- administering medication to children
- children leaving the premises in the care of someone other than their parent/guardian
- children being taken on excursions.

Services and Nominated Supervisors should refer to Regulation 168 (2) and, in particular, refer to ACECQA at [Getting Parents Authorization](#) for advice on policies and procedures for obtaining authorisations.

POLICY STATEMENT

Our Lady of Hope Greenwith Campus OSHC service has clear processes to ensure that all requirements relating to authorisations are met as determined by the Law. These policies specifically outline for educators and families what steps they must take to ensure children are safe when being educated and cared for.

RELATIONSHIP

102		Excursion Policy	

HOW THE POLICY WILL BE IMPLEMENTED

ADMINISTRATION OF MEDICATION

Where medication is required for the treatment of long-term conditions or complaints such as asthma, epilepsy or ADHD, the service will require a letter from the child's medical practitioner or specialist detailing the medical condition of the child, the correct dosage and how the condition is to be managed. This can be requested for over-the-counter medication as well as prescription only medication. If a medication authority is not provided, educators will not administer medication. In all cases, the instructions must match those on the pharmacy label.

SELF-MANAGEMENT OF MEDICATION

Children can only carry, and self-manage their medication when they have a written medication authority (and clear direction from the family and doctor that the child is able to self-manage)

CHILDREN LEAVING THE PREMISES

Signing out children

All children being collected from the Service will be signed out by a parent or approved person. The authorised person is required to give proof of identification to educators if they are not known to the educators.

Children leaving premises without being signed out

Children may not leave the premises unaccompanied by an authorised person unless there is signed written permission from the family that identifies and qualifies such expectations. The OSHC Service will reserve the right to negotiate such requests where there is concern about a child's safety.

Children leaving premises to go to extracurricular activities on campus

Families are required to complete a movement form for children to be able to participate in extracurricular activities on the campus. Supervision is not provided by OSHC for children between OSHC and the area of the child's activity. It is the family's responsibility to organise the facilitator of the activity to collect their child from OSHC and return them at the conclusion of the activity.

Please note that OSHC's duty of care commences when a child is signed into the Service and ceases when a child is signed out of the Service. The facilitator of the Extra Curricular Activity is responsible for your child's well-being and safety in the event of an emergency or when other situations occur whilst in their care.

CHILDREN BEING TAKEN ON EXCURSIONS

No child will be taken outside the service premises on an excursion without the parent's/guardian's written authorisation (consent) on a form that includes the following:

1. Child's name
2. Reason for leaving the premises
3. Date
4. Description of the proposed destination
5. Method of transport
6. Proposed activities to be undertaken
7. Period that the child will be away from the premises
8. Anticipated number of children sharing the excursion
9. Anticipated number of educators on the excursion
10. Anticipated number of other educators and any other adults on the excursion
11. An assurance that risk assessment has been completed.
