

CONFIDENTIAL

Emergency Medication Plan - Seizure Management (Multiple Types) for education and care

This information is confidential and will be available only to staff trained to manage seizures, those providing training to manage seizures, and emergency medical personnel.

The agreement section is completed by a neurologist, paediatrician, specialist physician, general practitioner or neurology nurse. Authorisation/release is completed by the parent or guardian; or the adult student.

The authorisation/release and agreement sections must be completed for the medication to be administered in an education or care setting.

*Emergency medication management plans that are modified, overwritten or illegible will **NOT** be accepted.*
